

CREATIVE PLAY AT HOME

Why It Works

- Boosts creativity
- Costs nothing
- Supports learning
- Encourages exploration
- Builds parent-child bonds

Turn Household Items into Toys

1. POSTING STATION

- Empty boxes
- Ice-cream containers
- Homemade slots

2. SENSORY PLAY

- Pegs and containers
- Playdough
- Safe kitchen items
- Different textures

3. DRESS-UP CORNER

- Old clothes
- Tea towels
- DIY hats from containers
- Simple decorations

★ Easy DIY Projects ★

- Make simple envelopes from cardboard
- Create postboxes from boxes
- Design astronaut helmets with foil
- Mix homemade playdough

Safety First!

- Use items too large to swallow
- Choose unbreakable materials
- Supervise play
- Keep small items away

Best Spaces for Play

- Living room
- Park
- Beach
- Playground

Remember

- Repetition is learning
- Let them lead
- Simple is best
- Everyday items = endless fun
- Your toddler is a little scientist!
